Would you like to participate in the Paint My Ride program? ☐ Yes ☐ No

The R&R Auto Body "Paint My Ride Program" is returning for the 2018 season and we're making it easy for you. If you wish to participate in this year's program, all you need to do is check the box above.

The R & R Auto Body "Paint My Ride Program" begins on May 5th and will conclude September 29th. Every eligible run will automatically be entered for you, except for 'fouls' or 'red-lights'.

The R & R Auto Body "Paint My Ride" program uses an innovative scoring formula that rewards a racer's consistency and performance over the entire racing season. To win a custom R&R Auto Body paint job a racer must have the best overall score factoring in reaction time, and their dial-in vs. actual E.T. It is similar to a major league pitcher's ERA where the lowest score is best. A racer must have a minimum of 13 rounds to have their score considered in the final tabulation and 'foul', or "red-light" rounds do not count.

A driver cannot change class or permanent number at any time, even if the minimum number of rounds are fulfilled. Attempting to do so will automatically cause forfeiture of Paint My Ride eligibility!

The R&R Auto Body "Paint My Ride" is a non-transferable award and must be redeemed within 30 days of receipt. Redemption equates to meeting with R&R Auto Body, initiating the custom paint design and scheduling a vehicle drop-off date. The newly painted car will be displayed at the Annual Awards Banquet held each January. In the event of forfeiture, the prize will automatically be awarded to the racer with the next best average.

The requirements to participate include being a member of the **Finish Line Club**, checking the appropriate box above and placing the appropriate **R & R Auto Body Paint My Ride decals** on the race vehicle. This decal must be on the vehicle the entire season!

The track will enter the data for those racers who wish to participate in the program. Results will be updated before the following point's race.
